The research, science and clarity is first rate. ...By Robert Brent GeddieThe research, science and clarity is first rate. The author takes complex subjects and explains them well. I dont know what that previous reviewer is talking about...not only is Tracy a man, but the guy apparently did not read the book. Snopes? Really haha, they have, along with that reviewer, been "debunked". The science is fascinating as we try to understand our universe in light of new discoveries from astronomy and physics.0 of 0 people found the following review helpful. excellent book a must readBy Christine FredewricksHi Tracy, that you so much for this book, I just got it 2 days ago and I'm already on chapter 21 because I can't put it downYou have a great talent of putting the whole picture together in a reader friendly way, God Bless!!!!

This book covers everything from creation to the coming Great Deception. It reveals in detail what space aliens actually are, what the mark of the beast actually is, what it will do, and how they are prepping our bodies for it right now. It shows how the alien deception starts and ends with the Flower of Life that was first discovered on the tomb of Osiris, AKA the Antichrist, and is one of the most common shapes found in crop circles. It shows how our reality resembles a light based hologram and how this hologram is directly linked to the Torah. Finally, it describes how all the aforementioned ties together. Most of this information is new revelation that you won't find anywhere else. This is a Bible-based book that shows how true science and archaeology confirm the Word of God. INTRODUCTION Sometimes the truth is stranger than fiction. What will be revealed to you in the following pages goes against everything you have been conditioned to believe and is far more bizarre than anything Hollywood could come up with. The truth revealed in this book will change your world view and reality as you perceive it forever. This is not a conspiracy theory. The following information is based on the most logical explanations based on hard facts and data after thousands of hours of research. The best way to start is by quoting a few lines from The Matrix and looking at this book as if it were the RED PILLhellip;rdquo;This is your last chance. After this, there is no turning back. You take the blue pill the story ends (you close the book now) you wake up in your bed and believe whatever you want to believe. You take the red pill you stay in wonderland and I show you how deep the rabbit hole goeshellip;remember,

all I am offering is the truth, nothing more. Shall we begin?
